Ma 3/8/45 18) The D.C. Shimoga (Dy Commr) has recommended the payment of a grant of Rs 15,000 towards this work, which is now estimated to cost Rs 25875/- according to the Chief Engineers scrutiny. The amount usually given in such cases is a moiety of the expenditure involved. The maximum amount that may be given by the govt in this case would be Rs 12,936/- (½ of Rs 25,875)

In view of the D.C's recommendation, and of the very low financial condition of the Md, a grant of Rs 15,000 may be given, the balance of Rs 10,875 being asked to be met by the Shimoga Municipal Council. The govt share may be met out of the provision of Rs 5 lakhs made under Dam improvements in the state budget for 1945-46
